

Business Breakfast Series

Start your day with food for thought. Join experts from Westpac and BDO Kendalls as they explore some of the hot issues impacting businesses.

Succession Planning

Owners and managers of family businesses face many unique challenges. Managing succession is one which is critical to the survival of a business. Our family business advisers explore some of the issues and challenges businesses face—and how to overcome them.

Wealth Creation

Paul Motta heads the Strategic Wealth Creation team at BDO Kendalls. Paul will share some key strategies and insights fundamental to wealth creation. These will include structuring, asset protection and retirement planning.
