# Like gold and diamonds, good partnerships are precious and hard to find.

For over 30 years, BDO Kendalls has offered business and accounting advice and services to the mining industry in Australia and around the world. Whilst it may sound like a cliché, it is our strong client relationships and our depth of knowledge that help deliver proven results.

Recognising that each client is distinctively different, we tailor our solutions carefully, bringing a unique understanding to each partnership. This conscientious approach has consistently delivered successful results for our valued clients and for us.

BDO Kendalls is the fifth largest professional services firm in the world with 1095 offices in 110 countries. Across Australia we have 140 partners and directors and employ 1200 people in 13 locations.

Our range of services to the Mining Industry is extensive and includes:

- Corporate advisory services
- Takeovers
- Expert reports
- Accounting standards
- Statutory requirements
- Audits
- Tax compliance and related services
- Salaries and remuneration benchmarking
- Employment structuring
- Onshore and offshore options

## Some testimonials from our satisfied clients:

### Kasbah Resources Ltd

*"BDO Kendalls has been of great assistance to us over the past few years. From listing our company on the ASX to on-going assistance through the audit process, we could not have asked for a more personable or smooth process. The strength in their network to help us get our Moroccan operations up to scratch was a great asset for us."*

*Peter Youd, Chief Financial Officer & Company Secretary*

### Castle Minerals Ltd

*"I have used BDO Kendalls for over 15 years for tax and audit advice. Their strong understanding of the mining industry and the ever changing tax and corporate legislation has been invaluable over this time. BDO's advice and service has always been first class."*

*Michael Ivey, Managing Director*

**Distinctively different – it's how we see you.**
