When you venture into Africa, why not profit from our vast experience? At BDO, we are at home in Perth, at home in Africa, and at home in the resources industry. We are the fifth largest accounting and consulting network in the world with 626 offices in 110 countries, 16 locations in Africa and 9 locations in Australia including Perth. We have helped many Western Australian companies set up their African operations so we are familiar with all the regulations and requirements. Our services range from takeovers, expert reports and investigating accountants reports to accounting standards requirements, tax compliance, strategic tax planning and audit assurance.
