# We believe in *you*

Every day, privately-owned businesses are making choices that affect the lives of millions of Australians.

Chasing opportunities, creating jobs, deciding futures. You are the backbone of our economy.

At BDO, we understand what it takes for businesses like yours to thrive.

- ▶ Time to work on your business rather than in it
- ▶ The right resources and tools to make better business decisions
- ▶ Access to expert thinking and ideas to achieve your goals

Sounds like a better way of doing business, right?

*"The BDO team are integral business partners. They've assisted us with succession planning, valuations, recruitment and profit reviews as well as the annual compliance services."*

# Welcome to a better way of *doing business*

**BDO*Drive*** offers businesses across the country a better way of doing business – through a unique combination of information, intelligence and insight.

Here's how it works:

## INFORMATION

We help you get your financial data right the first time, whether by processing financial transactions for you, or reviewing the work your staff have done. You can rest assured you are getting the best information to understand how your business has been performing.

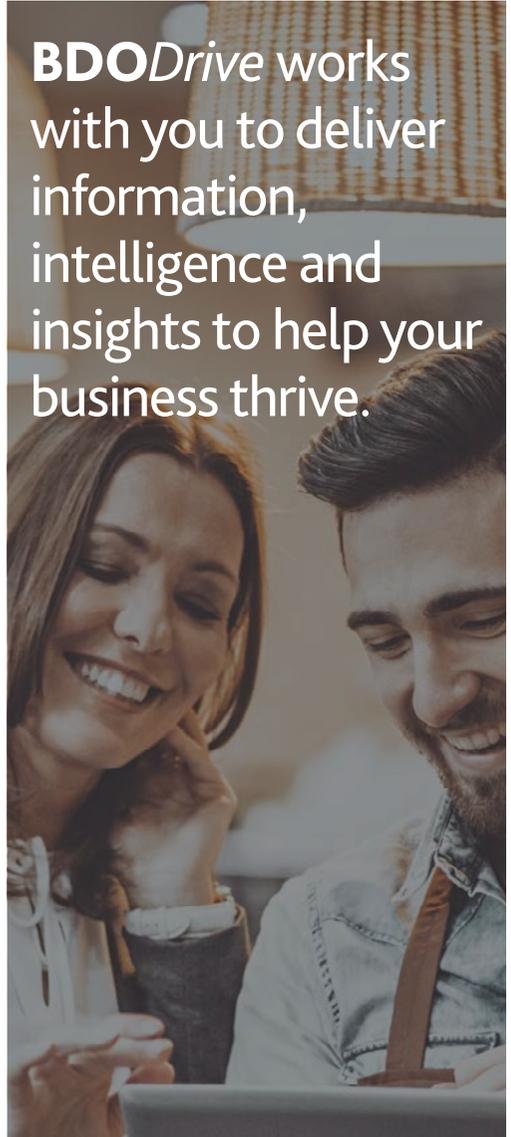

Drawing on the expertise of our team means you have reassurance that your tax and other regulatory obligations are being met at all times. This frees up time for you to work on your business and plan ahead.

## INTELLIGENCE

By working closely with you, we can analyse and discuss your business results and help you make informed business decisions. Utilising the power of data analysis and visualisation, we will highlight financial trends and opportunities for your business. Combine this with BDO's expert strategic thinking and support, and you will see your business in a new light, helping to shape your future direction.

## INSIGHTS

Your adviser can tap into hundreds of BDO specialists from around the country. From areas such as personal wealth management and business banking, through to global expansion, capital raisings or business sale, you will have access to expert thinking and ideas and be ready to capitalise upon the opportunities you and your BDO adviser identify.

**BDO*Drive*** works with you to deliver information, intelligence and insights to help your business thrive.

# Tailored for *you*

**BDO*Drive*** can help you unlock the limitless possibilities for your business to grow – whatever stage you're at.

You can choose the services you need and we'll tailor our approach to suit you. **BDO*Drive*** is for all types of business, including:

- ▶ Start-ups and new ventures
- ▶ Established businesses moving through different stages of growth
- ▶ Mature businesses considering their next moves.

# Why choose BDO Drive?

## At BDO, we believe in people

Our business is about helping people – whether you're running a small business, heading up a major company or you just need personal financial advice.

In today's increasingly complex world, you need to know your advisers are there for you. Advisers who know your business. Advisers who understand where you want to be and how you can get there. Advisers who interpret your data and reports to identify better ways of doing business – for both you and your business.

### A service tailored to you

Our advisers work as part of your team, tailoring the way we deliver business advisory and accounting services to meet your unique business needs.

Through a mix of professional and technological resources we streamline your day-to-day functions, giving you access to real-time information, so you can make more informed decisions. Our team provides you with expert thinking and ideas, and the latest business tools, when and where you need them.

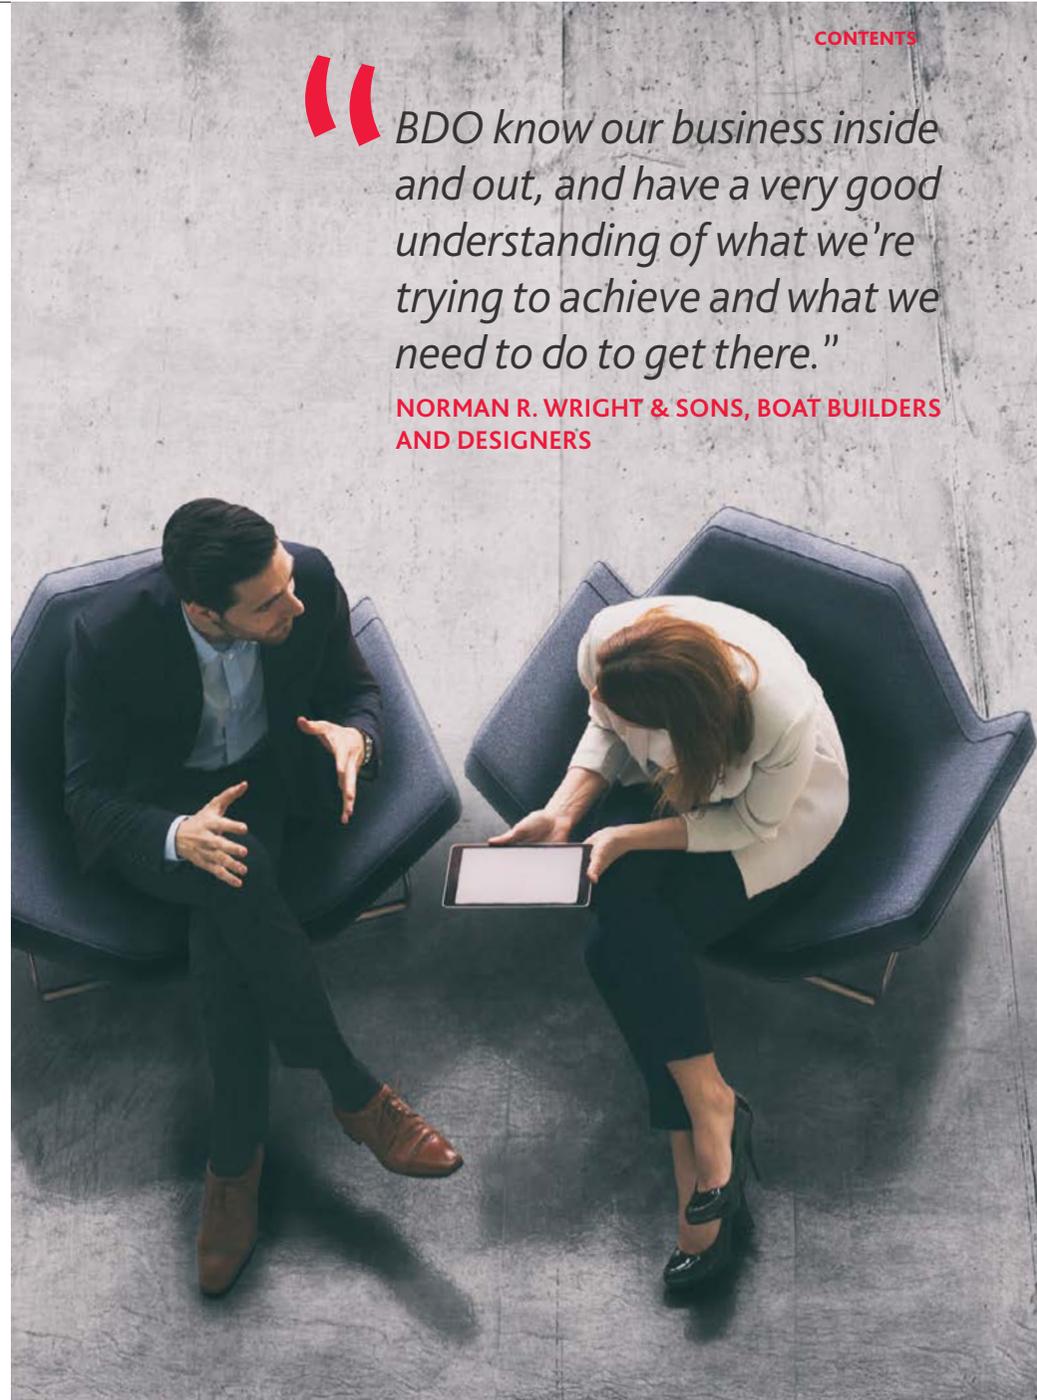

Through **BDO Drive**, your adviser supports you at any stage of your business's lifecycle – from start up to exit. In fact, we've been supporting Australian businesses for decades. Our people are committed to building relationships and delivering what you need, when you need it.

**BDO Drive** is about making it easier for you to access the information, intelligence and insights BDO's experienced team has to offer.
